

2021 MECA Collecto, Raffle and Engine Run

The 2021 MECA Collecto and Engine Run will be held in conjunction with the SAM Champs free flight contest at the AMA National Flying site in Muncie, Indiana.

The MECA Collecto is scheduled for Sunday, 5 September 2021 at the AMA museum immediately preceding SAM Champs registration. Setup will be from 0800 to 0900 with the Collecto from 0900 to 1300.

An Engine Run will follow in the parking lot.

Admission is free for MECA members and \$5.00 for Non-members.

Tables are \$10 at the door.

The event will include a raffle which George Milano, a long-time MECA member, avid supporter, and current Region 8 Director, has kindly agreed to organise.

Donations are being sought with proceeds going to the MECA treasury. These raffles are a great opportunity to potentially add a treasure to your collection, and to the support MECA in the process.
