

Frank Ehling International 1/2A Postal Texaco Challenge 2011

The Vintagents Sam 84 of Brisbane, Queensland in Australia are pleased to invite all SAM Chapters to compete in the Frank Ehling International 1/2A Postal Texaco Challenge for 2011. This is the third time that the Ehling Trophy has been held by the Vintagents and it is our pleasure to invite all to dust off the small models and tune up the Cox .049's for the 2011 contest. There is a four week window for the contest, so pick a nice flying day to compete as a SAM Chapter team and enjoy the spirit that this contest delivers every year.

I look forward to receiving your results and some photos would be appreciated which I will put up on our website after the conclusion of the contest. If you require any information please contact me by email. Good luck everyone.

Greg Martin Vintagents SAM 84
