

THE SOCIETY OF ANTIQUE MODELLERS

SOUTHERN REGION

AREA DIRECTOR: D. Cope
11 Wanda Crt.
Hallam 3803.

In the last newsletter I advised that any future competition dates would be in the S.A.M. Newsletter. This has not been changed, however the good folk at the Laverton A.F.B. have given us permission to hold an Old Timer Comp.

For the newer members of the Southern Region and also for those who are not familiar with the security arrangements I felt a newsletter may be in order to explain them and to advise all of what goodies are coming up.

20th JULY LAVERTON AIR FORCE BASE. Texaco and Duration

The security boys at the Base require some information so, what I would like the members to do, is to contact me by phone on (03) 7032431 or by writing to me at the above address to let me know if they will be attending this day and also are they coming with friends or family dependants. (I need to know a number) So basically the information I need is Mr. and Mrs. and No. of dependants (friends).

The gates will be opened at 9.00am so even if at this stage you may not be sure of attending please send me the relevant information. I must stress that if the sentry on duty does not have your name and details, you will be refused entry to the Base. The R.A.A.F. boys are great hosts and I don't think asking the above is too much considering the use of a great field.

25th MAY.....PILOT/O.S. 4 STROKE DAY.

To be held at the M.A.R.C.S. field. The Old Timers will be given a time slot to fly. Judging of all models will be on finish and construction. Mr. Ford Lloyd is the C.D. for this day and it should be a good P.R. exercise for us.

24th AUGUST..... WERRIBEE M.A.C.

Duration event only. C.D. will be D. Cope. NOTE:: Due to muffler restrictions no unmuffled motors (Antique or modern) will be allowed. The field is not far from houses so it would be a good neighbour policy to abide by the above direction. If you wish to display antique models and motors by all means bring them but don't start them.

The competition will start at 10.00am sharp and all competitors will have to show proof of M.A.A.A. membership as proof of insurance i.e. V.M.A.A. card or club membership receipt. THIS IS A MUST.

Maps of the field location are available from me at the above address.

NOVEMBER ?GEEELONG M.A.C. Texaco and Duration

The C.D. will be Peter Hosking (location maps from D. Cope.) At the time of this newsletter going to print the dates were not known. It will be a two-day event with Texaco on the first day and Duration on the next. Keep your eye on the S.A.M. Newsletter "Duration Times" for the dates.

28th - 31st DECEMBER.....P.D.A.R.C.S. 21st BIRTHDAY PARTY.

A Duration event will be organised as part of the celebration 4 day event. As yet the date is not known but it will be noted in the magazines well before Xmas.

25th/26th JANUARY.....ROY ROBERTSON MEMORIAL TROPHY.

Hosted by the P.D.A.R.C.S. this event now runs over 2 days. Texaco on the 25th and Duration on the 26th. It will be a pre-entry type event and details will be forwarded to you in the next Southern Region Notice.

- I hope to see you all at the coming competitions Till then

Good Flying

Darryl Cope

S.A.M. 3146

P.S. All competitions advertised in this newsletter will be run to the CURRENT S.A.M. RULES with the exception of the Pilot/ O.S. 4 stroke day. This day is only a fun fly event for all facets of our hobby.
