Three Amigos Travel to Eloy

Our own Jim Bethea, Scott Cannon and Doug Petty traveled the 1440 miles from Covington to Eloy, Arizona in 21 hours, and did some damage. The weather was cold, clear, and a little windy. The landscape was large, dry and dusty.

Jim and Doug came in One-Two in Old Time Rubber Small Stick, Doug nailed First in Old Time Rubber Large Fuselage, and Jim brought back a third in Small Fuselage.

Complete details are on Al Lidberg's site: www.aalmps.com

MACH 2007 WINTERCOUPE MEET BEST YET

Your editor had a great time in Pensacola at Navy site 8A, and it was good to get out of the city, and rent a room somewhere else, anywhere else. I drove across LA on Friday, stopping off at Doug Petty's house to show him my new Wren, and then continued on over MS, AL, and FL The exit for the site from I-10 is just seven miles past the Florida state line. Easy to get to.

Saturday morning was too cold and breezy to fly, but there was always signup, milling around, and meeting and greeting. There were at least 16 fliers spread over 6 events, and MACH, SAM 59, and PFFT were all well represented. By Saturday afternoon it had warmed up and flying began in earnest from 8 am until 4 pm. Sunday was beautiful all day, with periods of relative calm mixed with variable winds that lead to two OOS flights. Even your editor's One Nite 28 P-30, which isn't supposed to be competitive, put in one 7:05 flight that landed just, just on the field, after clipping a tree limb and turning back onto the grass.

Doug Petty and Scott Cannon led the Cloudclimbers for a One-Two in Commercial Rubber, and Jim Bethea took home a Third Place in P-30, 19 seconds ahead of Carl in Fifth Place. Bob Thoren ran a good contest. Results are listed below.

SAM 59 MEETING SCHEDULE FOR 2007

The next meeting of the Cloudclimbers will be noon Saturday, April 7 at the home of Doug & Stella Petty in Denham Springs, 225-667-3849

New T-Shirts Are In

Carl has white and pale blue T-shirts for \$6.50 apiece in Large, Xlarge, and XXLarge. They have the round, yellow Cloudclimber logo on the back, and the SAM crest on the front. Let me know what you want, and if I have it in your size, I will get it to you.

NEXT CLUB CONTEST HARBOR FREIGHT AND 2-BIT RUBBER

Your editor is the CD for the next club contest at the Simpson Sod Farm, which will be Harbor Freight Electric and SAM 2-Bit Rubber. The date was moved to Saturday the 14th of April at 9 am, due to a conflict with the April Club Picnic. You can either use a pre-charged battery, or submit yours to be drained and charged by the CD for a one minute motor run. Best of 6 attempts wins.

Old Time 2-bit Rubber is a competition for a non-scale endurance model built from a kit or plan published before Dec. 31, 1945, with a 25-inch wing span or less. No folding props are allowed, but plastic will be permitted, though frowned upon. Best of 6 flights wins.

All models must be returned to the flightline to have a flight count as official.

NEXT REGIONAL CONTEST – THE HEART OF DIXIE

Set your sights on May 19-20, when the Model Airplane Club of Huntsville hosts the **Heart of Dixie** National Cup Contest, Navy Site 8A, Pensacola, FL.

AMA A thru D Gas, Classic Power, OT Rubber, Commercial Rubber, Mulvihill, FAC Jimmy Allen, Dime Scale, Embryo, Moffett, F1H Glider, F1D Coupe, Gollywocks Galore, and lots more.

Tom Hepler is CD, 808 Rigel Drive, Decatur, AL 35603, 256-350-9263. BuzzardBombshell@aol.com
