Report No. 32

*Second 1/2A Fubar 600*

*March 3, 2020*

I received the two 10 X 7E props from APC in yesterday's mail as shown below.

Back on Wednesday, February 26, I received the 6Volt 5 AAA cell 950 mAh eneloop battery pack from Batteries America for powering the receiver and two servos.....Tandy
