

**Here are the Grand Champion and Concours Winners**

FF Gas Power Champion- Ron Thomas
FF Rubber Champion- Herb Kothe
Glow RC Champion- Bob Hawkins
Spark Ignition RC Champion- Bob Hawkins
Electric RC Champion- Jay Burkart
Rubber Powered Concours - Jack Jella - Lanzo Duplex
Spirit of SAM Concours - Bill Booth, Sr. - Clipper
Miss Seldom Seen Concours - Bob Harper - Hurricane

We had a total of 37 entries in the Concours events held at the Bean Feed on Tuesday evening. The Miss Seldom Seen Concours was a new event and was well received.

I look forward to flying in the next West Coast SAM Champs and will relinquish my administrative duties to the next West Coast Contest Manager, Mike Myers. Being Contest Manager was an interesting experience and I was fortunate to have a superb team to help me. I thank them for their support. I was most proud of the way we used the registration program that had been developed by Alan Monteath and its use at the SAM Champs to record the daily scores. We were able to confirm to the CD's the following morning the previous day's scores and the status of the grand championship point count. Hopefully, this registration and scoring program will continue to be used in future SAM Champs events.
