**Subject:** 31 Cleveland 80" Playboy Senior - Laminating the Fin Leading Edge

*Cleveland 80" Playboy Senior*

*April 29, 2017*

The heavy cardboard template was reused to laminate two pieces of 1/8" X 3/8" balsa strips as shown below.

This picture shows how the leading edge lamination conforms to the fin leading edge drawing. Notice the black "X" made with a Sharpie pin in the upper right hand corner of the drawing. These X's are use distinguish the new plan from the previous one.....Tandy
