Subject: 70 Rocketeer A - Fuselage Covering with Polyspan Lite (Part 3)Web Site: [Tandy's Model Aircraft](#)*Rocketeer A**February 28, 2015*

It took me most of the afternoon to cover the right side of the fuselage with Polyspan Lite, which turned out superbly. Here are two pictures of the Polyspan Lite base covering with one coat of clear nitrate dope. The left side will have to wait until tomorrow.....Tandy
